The City's organic waste (yard waste) recycling site is located off from County Hwy AA along the side of the Landfill Road prior to the Landfill gates. This area may be accessed at all times. City residents may dispose of brush, leaves, yard and garden organic waste only.

No construction materials, concrete, rock, metal, or household waste is allowed in this area. Containers must be emptied and taken away or disposed of in the waste containers provides.

Yard Waste Pick-up

Yard waste will be collected on specific Mondays, Tuesdays and Wednesdays during the month between April and September. (see calendar on other side of page). **Yard waste will not be collected in plastic bags—it must be placed in biodegradable bags or left in an open container and placed at the curb by 7:00 AM the Monday prior to the collection, as we will be making ONLY ONE TRIP through the City.**

If yard waste is left in a container, the contents will be dumped into the truck and the container will be left at the curb. You may take yard waste to the landfill compost area anytime (see Organic waste recycling site information).

During Fall Leaf Collection—Rake leaves into gutter where they will be vacuumed up. Be sure there are no sticks mixed in with the leaves.
